

The Strength of Western Alliance

Q2 2022

Bankers Dedicated To You

Whatever the economy brings, your relationship banker at Western Alliance Bank and every one of our geographic and national businesses is here to help you make the most of your opportunities. We're proud that customers view us as a trusted advisor, like their CPA and attorney, and count on us for smart counsel to move their businesses ahead.

A Bank For All Seasons

Responsiveness, speed and an unwavering focus on you sets Western Alliance apart. Another way we're different: Our diversified business model – a targeted, flexible set of national capabilities – positions our company as one of the country's premier commercial banks with superior asset quality across economic cycles. This means stability you can rely on.

Strength and Capacity

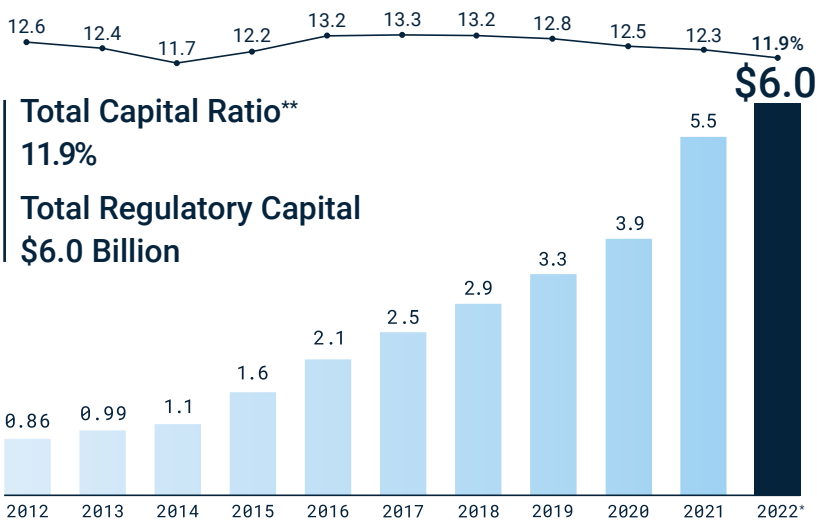

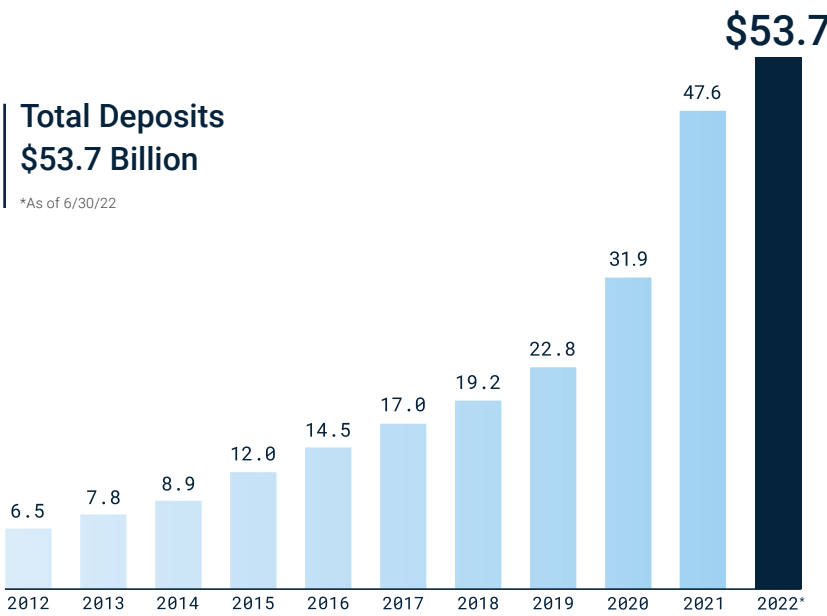

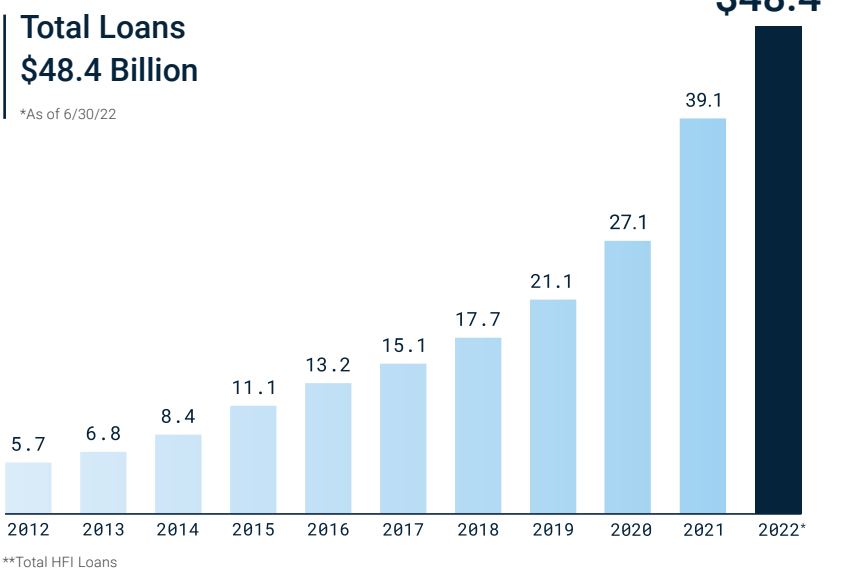

With more than \$65 billion in assets – and a proven ability to serve customers nationwide, wherever business happens – Western Alliance Bank has the reach, resources and entrepreneurial spirit our clients need to thrive in every economic cycle.
